Dear Partner,

Merry Christmas! We approach this Christmas season with gratitude to the almighty God for His faithfulness, there are so many good things that happen for us and the hundreds of children and families that are served over the year through our work at GOEK.

Saviour King' continues to flow with love and care for 270 children, the number will increase in January as one more class will be added by the promotion of 6th graders to 7th. We have received many donations including text books for all the children, 30 pairs of shoes, crafts and Awana games for the Bible club. We had many activities, some of which were aided by visiting teams and volunteers, CTK Mission team 2011 took them all out of the slum in a bus for a fun day, and more activities from YWAM teams which included the DTS from Athi River, YWAM Medias Romania team, Marco Micola and team, Monique Townen a Teacher and Clown from Netherlands, Pastor Mark Warren, Steve Hoffer, and Paschal from CTK had a seminar for 159 Kibera pastors, Michelle and Niklas visited from NZ and Germany. All the teams visited families and the GOEK Children's Village under construction and gave a hand. We had a glorious graduation ceremony for the pre- unit class, it surely left a mark in their lives as they were given a treatment they had never imagined, the gowns were a surprise to them!

Luckstone and Boniface had a successful operation aided by Norwegian partners, the two had been hopeless as they are poor and couldn't afford an operation,

The sponsorship program continues with 24 sponsored children receiving basic needs, Dennis will be our second sponsored child to join high school in January.

GOEK Children's Village is coming alive in January with 12 Children, the two houses are at finishing stage and the builders will not leave the site until it is done and handed over.

The list of things is endless, but our gratitude is to all of you who generously support the work and ministry of GOEK, we are honored to be in partnership with you in this ministry that has such dynamic outcomes. The Lord bless you! All the Children and entire GOEK family wish you a

"Merry Christmas and a Happy New Year!"
